

Web Time – Customer Instructions

This guide will provide basic instructions for logging into the Customer Portal to approve hours submitted using the People 2.0 Staffing Software Web Time Approval function.

Customer Time Approvers should have a Customer Portal login setup. If you do not know your login or the link to access the portal, please contact your staffing company representative.

Summary of Steps:

- 1. Login to the Customer Portal or click the link in the Reminder email
- 2. If logging into the Portal directly, click on "Time Entry" in the top menu
- 3. View hours for Staffing Associate (Temporary Employee)
- 4. Select Time Cards for Approval and Approve submitted hours
- 5. If a Time Care is not approved, enter the reason why and Dispute

Web Time Approval Detailed Steps

Go to the Customer Portal to login by using your Staffing Company's designated link, <u>https://clients.people20.net/Gateway</u>, or click the link in the Reminder email:

Viewing Time Card

Note: Approvers will not be able to modify any hours submitted by the Staffing Associate. However, hours can be disputed.

- 1. Click the Approve button to approve employee hours
- 2. Click the Dispute button to enter different hours, which will then calculate a disputed amount. A reason for each dispute is required (see Disputed Hours section below)

Approving Time Cards

Approvers may choose to approve one or more time cards at one time. Use the check box to select the time cards, then click "Approve" button to save and approve the hours. After hours are Approved or Disputed, they are sent to the Staffing Company for processing.
