Cheryl Satryb
Director of Volunteers

- I welcome this opportunity to tell you about Volunteer Services
- Your staff knowledge of the Volunteer Program and accepting of volunteer workers is THE KEY to our program's success!
- **BEHIND EVERY SUCCESSFUL VOLUNTEER IS A PERSON WHO HAS MADE THIS SUCCESS POSSIBLE.**
- The voluntary workforce of the Anna Jaques Hospital is made up of two components;
- **IN-SERVICE VOLUNTEER SERVICES PROGRAM and the ANNA JAQUES HOSPITAL AID ASSOCIATION**

- The in-service volunteer program is one of the largest hospital-based volunteer programs in the Merrimack Valley.
- In a typical year our volunteers donate between 25,000 - 30,000 hours.
- Volunteer Services crosses many boundaries and directly or indirectly affects every department. The purpose of the Volunteer Services Program is to assist the Hospital in the delivery of comprehensive health care and to foster meaningful ties and collaborative efforts with the community.
- Volunteers work in clinical and non clinical areas
- With **YOUR** support and with a sound system of volunteer management in place, people from the community provide our health care facilities with extremely valuable human resources and with an important link to the residents within our service area.

- Founde in 1888 by a group of people who wanted to help the hospital support its mission in the community by raising money to purchase needed equipment and to help implement community health projects.
- The Aid Association continues this mission today.
- During the more recent years, we have been able to raise over \$2 million for the hospital. This year our gift of \$70,000 included monies for both Free Care and COVID-19 supplies.... both very worthwhile and especially important items.
-

- We raise this money from several different events and programs throughout the year.
- We currently have over 170 members who, like you, are dedicated to ensuring that Anna Jaques Hospital continues to provide the absolute best care to our community.
- We would be very excited to have you join us in our efforts. Membership is open to everyone.
- The annual dues are currently \$25 per year or you might consider a lifetime membership of \$100.
- The Aid is managed by a Board of Directors that meets monthly and is committed to achieving fundraising goals.
- All the Aid members are invited to an Annual Luncheon Meeting which is held each October. Any member who has the time or the talent is also invited to come forward and help with any of the Aid's fundraising efforts.

- The Anna Jaques Aid Association Gift Shop
- **After your initial 90-day probationary period**, the Anna Jaques Gift Shop invites you to use our interest free payroll deduction credit plan.
